Join the Friends of the Cornwall Iron Furnace for our Christmas Open House on Saturday, December 4th from 9 am to 7 pm. This will be a rare chance to see inside the furnace after dark.

While this event will not be as large as years past, visitors will be able to take guided tours inside of the furnace, shop for unique gifts, look at holiday decorations, and partake of seasonal light refreshments.

Regular admission will be charged for this event and proceeds will help support the Friends of the Cornwall Iron Furnace.

For further information please call the museum at 717-272-9711.
